We're out of Sight!

TRAILBLAZERS' 11th Annual Blaze-A-Thon Fund-raiser 2018 Rider's Pledge Form

The TRAILBLAZERS tandem cycling club is celebrating over 31 years of service to people who are partially sighted, blind and deaf-blind. This recreational tandem cycling club promotes inclusive physical and social activities shared among our volunteer captains (sighted guides) and member stokers (individuals with vision loss). All proceeds will support bike parts, maintenance and repairs of our tandems to ensure the safety of our members.
